WORK EXPERIENCE

● Studio Arunisha – Gurgaon UI UX Intern

DECEMBER '25 – APRIL'26

Led the end-to-end design of the studio's website, from wireframing and concept development to final UI and development coordination, creating a cohesive and user-focused digital experience. Contributed beyond UI/UX by developing content, directing visual storytelling, and assisting in photoshoots, shaping the overall brand presence across the platform.

● Granth Creations – A Branding Agency – Ahmedabad UI UX and Graphic Design Intern

April – July'25

Led end-to-end UI/UX design processes from research and wireframing to high-fidelity prototyping, creating engaging digital experiences. Designed for multiple live projects across packaging, branding, and interfaces, ensuring user-focused outcomes.

● Freelancing – UI UX Design

November '24 – Present

As a freelance UI/UX designer, I've worked on multiple digital projects. One key project, ProWork, is a mobile app connecting customers with professional service providers, designed for a seamless booking and management experience.

● Greyphyte Design Agency – Ahmedabad Graphic Design Intern

April – July'24

At Greyphyte, I primarily worked on branding and logo design, developing cohesive visual identities that reflected each client's voice. Alongside this, I also contributed to UI/UX screens to create clean digital layouts.

● Sandeep Gadhvi Clicks Assistant Photographer

May – July'23

At SG Clicks, I worked as an Assistant Photographer, participating in multiple live shoots and gaining hands-on experience with different cameras, lighting setups, and composition techniques.
